

BC SCHIZOPHRENIA SOCIETY PRESENTS:

# Supporting Families with Parental Mental Illness and Substance Use

*Certificate Training - Considerations with Indigenous Families*

- Hear from the voices of those with lived experience
- Learn from expert professionals in the field
- Grow your skills and confidence in working with children and families
- Gain a greater understanding around creating a family-focused and culturally sensitive practice

Attend one or both  
online seminars

Complete online courses  
at your own pace for full  
certificate training

Register or receive
